TO : Chief, Foreign Division M  
Attention: ☐

FROM : Chief of Station, Vienna

SUBJECT: GENERAL— Operational

SPECIFIC— USAGE Contacts

Reference: MAV-4-3029

1. The local Zipper representative, ☐ sees us immediately after his meetings with USAGE (before he has had a chance to report to PCB) and gives us and G-2 copies of the weekly or bi-weekly USAGE "take". On such occasions he has occasionally loaned us copies of operational correspondence from USAGE, such as the list of names referred to in MAV-4-3029. We appreciate his co-operation and sincerely hope it will not be found amiss. Any delays in the forwarding of the material is probably due to the normal processing delays within PCB.
2. Forwarded for your information are copies of the SS list of USAGE informants which we received several weeks ago. We need to copy the lists for our own use and hope that the extra copies we make for you will be found useful and save some typing time at your end. Thus far we have submitted the following source lists to Vienna: CC, TT, HH, XX, PP and the latest, SS.

- 2 - Wash w/incl.
- 2 - Vien w/incl.
- 2 - Sals w/incl.
